Dear Parent,

Re SIMS Parent app – easy access to important School information

We are pleased to announce the launch of SIMS Parent, a convenient new way to share information with you about your child's school life. Shortly, you will be able to access our new SIMS parent app and website from a smartphone, tablet or PC – anytime, anywhere. It is really easy to set up and convenient to use. You can even use your preferred social media login to access the app.

What will you find in SIMS Parent:

- ❖ Important information such as attendance, timetables, achievement and homework for your child
- ❖ School term dates and contact details
- ❖ Important information about your child's attendance and conduct
- ❖ Access your child's reports and assessment information
- ❖ Notifications to remind you about important information such as key dates for your diary
- ❖ Access to update your contact details, so we always have the most up-to-date information in case of emergency

If you have more than one child at Lisnagarvey High School, you will have access to information for all your children from the same app. The information that you receive through the app will help you to stay up-to-date with your child's school life, as well as support your child's development and progress.

Getting started with the SIMS Parent app:

We will shortly be sending you an activation email, simply click on the link from your tablet, PC or smartphone to activate your account.

You can then login using your normal Facebook, Twitter, Google or Microsoft username and password.

From your smartphone or tablet, download the app from the Google Play or Apple App store - search for SIMS Parent.

From a PC or Windows phone, login online at www.sims-parent.co.uk

Please note that your activation email is unique to you and should not be used by anyone else. Your activation email will expire after 14 days if it is not used, please email lhsict@outlook.com if you require a replacement after this date.
