Dear Parent/Guardian,

We are writing to inform you about an important stage in the planning process for Sixth Form provision for the next academic year.

All Year 12 students who are considering returning to Sixth Form have been asked to complete a Sixth Form Expression of Interest Form. This form is a crucial part of how we plan our Sixth Form curriculum and option blocks for next year.

The purpose of the Expression of Interest is to:

- Confirm whether students are intending to return to Sixth Form
- Gather information about which subjects students are interested in studying
- Help us organise option blocks that best suit the majority of students

Please note that if there is insufficient interest in a subject, it may not be possible for the school to offer it. For this reason, it is vital that students list all subjects they are genuinely interested in, even if they are still considering their final choices.

If a student wishes to return to Sixth Form, completion of the Expression of Interest Form is essential. Access to the Expression of Interest Form is through the Sixth Form Information Google Classroom – students can join with the code o5vyb5rj. If the form is not completed by the deadline, we will assume that the student is not intending to return, which may affect their ability to apply later. The deadline for the completion of this form is **Friday 30th January 2026**.

Once all responses have been received, we will finalise the subjects and option blocks. Formal Sixth Form applications, based on the confirmed offer.

Further information about Sixth Form study, courses, and expectations will be shared in due course, and an information evening for parents and students will follow, where there will be an opportunity to ask questions and speak with members of the Sixth Form team.

If you have any questions in the interim, please do not hesitate to contact the school.

Thank you for your continued support.

Yours sincerely,

*S Black*
