10 September 2024

Dear Parent/Guardian,

We are pleased to inform you that we provide the ingredients for practical lessons in Home Economics. In recent years the costs of Home Economics practical have increased significantly. Lisnagarvey have set their costs at £15 for Key Stage 3 and £20 for Key Stage 4 courses. This is below many other schools in the local area and wider community, who charge £25 and upwards for practicals. The money covers the cost of:

- Ingredients for lessons
- Packaging materials for food to be carried home

To enable all pupils to build skills it is vitally important that the school receives your support to enable your child to have full access to as many opportunities in these practical settings.

An annual fee of £15 will be made on School Monies and can be paid in a one-off payment in September or in three instalments of £5 in September, October and November. We would appreciate if payment can be made either by one payment or instalments as this will allow our department to co-ordinate the cooking programme more efficiently.

The school already allows flexible payment of the practical fees in monthly payment up until the end of January.

Key Stage 3:	Sept £5	Oct £5	Nov £5	
Key Stage 4:	Sep £5	Oct £5	Nov £5	Dec £5

Payments can be made on School Monies, through the Teachers to Parents app. Alternatively, cash can be paid to the school office and a receipt will be given.

Thank you for this ongoing support, our aim is to ensure each child will have the best opportunity to develop a love for cuisine and hospitality.

Yours Sincerely,

K McClintock
Head of Home Economics
